

LYNNWOOD TIMES

Mother's Day Scavenger Hunt

SPONSORS

Overview

In recognition of Mother's Day, the Lynnwood Times will host a family-friendly adventure. Participants will be given 18 clues to search for 18 decorated rocks within six Snohomish County cities.

Participants are to submit a picture of themselves with the Mother's Day themed rock to the Lynnwood Times' Facebook, Twitter, or Instagram page.

The rock is to be placed back where it was found for subsequent participants to find. Each submitted picture of a unique rock found by a participant is considered an entry in the drawing for a Mother's Day package.
