

Comprehensive Treatment Centers

Opioid Use Disorder Programs

Acadia Healthcare's Comprehensive Treatment Centers
Life-Changing Care for Opioid Addiction

Who We Are

- Acadia's Comprehensive Treatment Center network has over 145 clinics nationwide, serving more than 60,000 patients in 32 States
- Largest MAT (Medication Assisted Treatment) provider in the nation.
- 8 CTC locations in Washington
- We are relocating our clinic currently located in Bothell to 196th Street in Lynnwood.
- Hours of Operation
 - Early morning hours so that the services patients receive enhance, not interfere with their lives.

How MAT Saves Lives

“Medication-assisted treatment (MAT) combined with psychosocial therapies and community-based recovery supports is the gold standard for treating opioid addiction.”

- Dr. Elinore McCance-Katz, Assistant Secretary for Mental Health and Substance Use, SAMHSA⁽¹⁾

Key Metric	Description
Reduction in Opioid Drug Use	80% of CTC patients test negative for illicit opioids after six months of treatment
Decreases in Overdose Deaths	Opioid Use Disorder mortality: 8.2x greater out of MAT than in MAT* ⁽²⁾
Increase in Employment	MAT is associated with a 49% increase in employment status after six months of treatment ⁽³⁾

Need for Services

- 18% of heroin-related deaths in Washington come from Snohomish County¹.
 - 198 opioid related deaths in Snohomish County in 2021².
- Over 100 CTC patients live within 5 miles of our new Lynnwood location.
 - They live, work, and are an active part of the community.
- We are proud to be a part of the Lynnwood community and continue to provide life changing and life saving services to its members.
